## Dedication

To Mr. Kutzli and Mr. Van Peursem:

During our four years of high school you have always been ready and willing to give us a helping hand. You have made us realize that we must work for everything of value in life. We will remember you, Mr. Kutzli, as an understanding superintendent and demanding but patient instructor. Coach, we can never adequately thank you for your help in sports and math as well as making life here at school more worthwhile and enjoyable.

As a symbol of our gratitude and appreciation for your help, guidance, and understanding, we, the class of 1955, dedicate to you our annual.

## History of Senior Class

We numbered twenty-seven strong when our class of '55 first entered the walls of P. C. H. S. to begin four years that will long be remembered and cherished by us. The members included: Phyllis Abrahams, David Boot, Emma Lea Brewer, Max Caldwell, Alan Campbell, Lowell Clark, Glennyce Den Besten, Shirley Elrod, Elnor Herweh, Duane Jennings, Lois Krohn, Margaret McFadden, Beverly Messmaker, Joyce Moomaw, Mary Lou Plate, Audrey Pulver, Godfrey Redco, Mary Shera, Judy Shutt, Rosalee Stamper, Lila Steenhoek, Jackie Sparks, Grace Telfer, Danny Trunnel, Jerry Van Baale, Margie Van Dyk, and Loren Vander Lune.

We were initiated as comic strip characters. It is one night that will always remain in the back of our minds, to be talked about as the years go by.

Junior Smith joined us, but dropped out after about six weeks. We also lost Alan Campbell, Jerry Van Baale, and Godfrey Redco. We were glad to welcome Bertha Grimes, Beverly Jabaa, and Beverly Trager to our class.

At the beginning of our Sophomore year we had lost Glennyce Den Besten, Mary Lou Plate, and Rosalee Stamper, but gained one new member, Walter Miller. We had no class parties during that year. Some of the members of our class began taking more interest in sports, music, and we participated in a skit for home-coming.

We started our Junior year with the same group of students, but this time we were upperclassmen and we knew it! We also started taking life more seriously by choosing the subjects that would do us the most good in later life. On October 30, 1953, under the direction of Mr. Wilkins, our English instructor, we presented our class play, "Watch Out For Spooks".

With Mrs. Regier as our class sponsor we took over the duties of running the Junior concession stand at the football and basketball games.

Again we took part in the "fun night" activities for home-coming. We became the joyful owners of our class rings by Thanksgiving and kept them, at least until Christmas. Then some were given away to be worn with pride by the new owners.

We held our Junior-Senior Banquet on May 7 in the hot lunchroom. The atmosphere was traditional of the "Gay 90's". Our mothers prepared a delicious meal, serving over eighty-five guests, including Juniors, Seniors, faculty members and their husbands and wives. We were entertained and waited on by eight members of the Sophomore Class.

When we arrived for our last term at Prairie City High School we had lost Max Caldwell, Grace Telfer, and Phyllis Abrahams; later Lowell Clark also left us. This year we gained only one new member, Leland Aldridge, giving us a graduating class of twenty-two members.

We initiated the Freshmen in style as is the custom and then settled down to work. We again chose appropriate subjects for our future plans and we all worked hard to gain the most we could from our last year in high school.

We worked hard to produce an annual that would accurately express our thoughts and memories of our school. Our second class play was held in the spring and we attended the banquet given us by the Juniors.

The baccalaureate service and graduation exercise were both joyful and yet a little sad. After all this time we are now ready to each go his own way in the world and make his life the best he can.

## Senior Will and Testament

We, the Senior Class of P. C. H. S., being of sound mind and about ready to cast aside our high school ways and depart for the sedate land of adulthood, do make, publish, and declare this to be our Last Will and Testament, hereby revoking and annulling any and all will or wills by us made heretofore:

- Item 1. Margie Van Dyk bequeaths her quietness to the Freshman boys.

In witness whereof we have hereunto set our hands to this our Last Will and Testament at Prairie City, Iowa, this seventeenth day of May, A. D., 1955.

Class of '55

# Prophecy

It was in the year 1980 when my friend and I returned from a prolonged visit to Mars. Upon arriving in the growing metropolitan city of Prairie City, Iowa, which was now twice the size of New York City, we decided to look over The Prairie City News to see what was going on in the world. To our surprise we found the following concerning the class of 1955:

## President and Wife Attend

### Socialite Reception

Prominent Socialite Beverly T., today gave a reception for President Trunnel and his lovely wife, the former Beverly Jabaai, in honor of their 60th wedding anniversary. The first lady wore a lovely yellow gown that was designed by Fashion Designer Beverly Osborn.

## Opera Star Stops Opera

For the first time in the history of the Metropolitan Opera Company, the audience came to its feet to cheer an outstanding singer and delay the opera itself. Elnor Herweh, the brilliant star, stopped the performance short with her rendition of "I'm in The Jailhouse Now." She was accompanied by her faithful pianist, Margaret McFadden.

## Murderer Condemned to Death

The notorious criminal, Slick Sam McGee, is to be hung Friday at 5:00 A. M., announced District Attorney Loren Vande Lune and his assistant, Audry Pulver. He was proven guilty of seven murders by the efficient D. A. and his helper.

## Iowa Girl Breaks Speed Record

Miss Judy Shutt, forty year old Prairie City, Iowa, yesterday broke the old speed record by setting a new one of 400 miles an hour in the 1981 model "Jetmobile" auto. This is Miss Shutt's third such title.

## Science Aids Henpecked Husband

The world-famous scientist, Walter Miller, today announced the discovery of a powerful chemical that has endless possibilities. He discovered this when his wife came too near the chemical; it blew her off the face of the earth. It is not known when the product will be available to the public.

## Wealthy Widow Weds Again

The socially prominent Mrs. John Jacob Morgan, the former Margie Var Dyke, will be married tomorrow for the eighth time. It is estimated that the fortune left to her by her third husband is about sixty million dollars.

When we finished reading the paper we were pleased to note that all of the Senior Class was still alive and kicking.

## The Pacific is Conquered

Erma Lea Brewer swims the Pacific Ocean to make the biggest news in Sports today. After several unsuccessful tries Erma Lea crossed the sea in only two days. That girl is really jet-propelled.

## Famed Singing Group Sued

The Discord-ettes are in close harmony with the law; it was revealed to the press this morning. The city of San Francisco is forcing a lawsuit on the girls for failing to appear in the big airplane show, which the city is holding. The singers, Shirley Elrod, Lois Krohn, and Bertha Grunes expressed the fear that the bad publicity would break up their trio.

## Critics Acclaim Exhibition

Critics today spoke favorably of the exhibition of paintings by Duane Jennings. After a brilliant career in athletics, Mr. Jennings became a painter because of his rheumatism.

## Uranium Mine Opened in Greenland

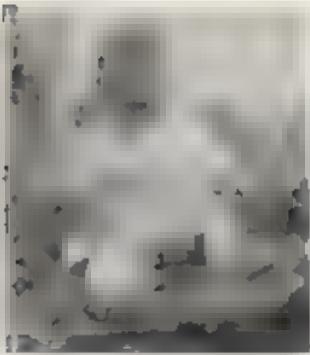

Mr. and Mrs. LeGrand Aldridge (Mrs. A. being the former Jackie Sparks) own an old radioactive mine for the medical treatment of broken hearts. In partnership with the Aldridge family is Joyce M. who went to Greenland to recover from a broken heart. She hopes the radioaction will help others as it helped her.

## Boat Speaks at Cab Drivers' Convention

Mr. David Boot gave an interesting address at the cab drivers' convention in Vandalia. Mr. Boot was formerly a cab driver himself and his talk was entitled, "How to avoid becoming a Wacky-Hacky."

## Singer Blessed with 50th Grandchild

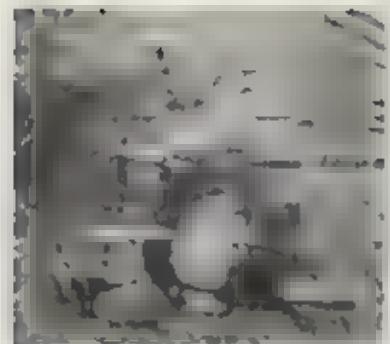

Mrs. Marion Schuring (the former Lila Steenhoek) who sings under the professional name of Patti Pigknuckles, today announced the birth of her 50th grandchild. The nurse to the child, Mary Shera, said the baby was getting along nicely.

## Junior High Basketball

The Junior High girls climaxed their basketball season with winning the Jasper County Consolation Game from Baxter 42 to 19, and bringing home a nice little trophy. They have a total of three wins and one loss.

The boys a little less unfortunate than the girls didn't have as good luck in their season this year. They have lost both of their games and were defeated in the first round of the County Tournament by Kellogg.

The Junior High yells were led this year by Jane Kutchin, Katherine Herweh, and Janet Van Haalen. They were all three faithful in their attendance at the games and were capable in their cheering.

The Seniors wish the Junior High basketball squads of next year good luck!

They were the Jasper County Champs this year, and the Rock Lake Conference Champs for the third consecutive year. The team placed fourth in the Girls' Sectional Tournament. This was the last season for four of the first six girls. The scoring was well divided among the three Senior forward, with Lila Steenhuis having the total 1516 points, Beverly Libau with 328 and Jackie Sparks 306. Their average per game was as follows: Lila 23, Beverly 15, and Jackie 14. The offensive average was 65 points per game and the defensive average 43 2 points per game. The boys' basketball team steadily improved during the season. This was proven by their 11-11 record, placing fourth in the County Tournament, and winning their Sectional Tournament. Although having been defeated by Runnels twice during the regular season, the boys reached their peak during sectional play by trouncing Runnels in the finals to advance to district play. The total points scored by each player and their average per game is as follows: Bill Waddle 423 points, average 19; Jim Miller 311 points, average 14, Howard Vande Hart 225 points, average 10; Duane Jennings 109 points, average 5, Gene Koder 133 points, average 5. Their offensive game average was 55 and the defensive average 52.

Duane Jennings will be the only one lost by graduation. He will be remembered for his outstanding floor play and rebounding. The student body was very proud of the team's spirit and determination. The Seniors wish the teams in the future good luck.

## Music

The vocal department, under the instruction of Mr. Crow, has shown much improvement. The boys' glee club when first organized this year had only sixteen members; it now consists of twenty-nine members. The girls' glee club has fifty three members, which is the largest the club has had for several years. The boys' and girls' glee clubs were combined to present the Thanks-A-God Vesper Service. The mixed chorus was chosen from the members of the boys' and girls' glee clubs, it consists of sixty-one members. They presented the musical portion of the Christmas Program. The three large vocal groups are ad working hard on their pieces for contest which will be sometime in May. Besides the girls' and boys' quartets, and the girls' trio, two new groups have been organized; the first sextet consists of Suzanne Stevens, Janice Harmison, Maxine Van Wyk, Judy Shutt, Dorothy Van Houweling, and Karen Boot. The second mixed quartet has the following members: Erma Lea Brewer, Suzanne Stevens, Maxine Van Wyk, Janet Wilson, Harold Wilson, Jon Jennings, David Bent, and Howard Vander Hart. All of the ensembles are taken selections to contest.

The vocal department is entering eleven soloists at contests. They are as follows:

David Boot.....	Bells of the Sea
	On the Shore
Dennis Brubaker.....	Thine Alone
	The Trumpeter
Howard Vander Hart.....	Give a Man a Horse He Can Ride

## Initiation

Freshman Initiation was held September 27. During the day the boys were ordered to wear make-up; the girls came without any make-up and with their hair pinned up, and all of them were required to wear their pajamas. Friday night the Freshmen and new teachers came dressed as movie and television stars. After putting all them through their various stunts, refreshments of popcorn, pop, and apples were served.
